

Kenneth Kirkland, RN, MSN, NRP is the Director of Health Programs for the Alabama Community College System (ACCS). With more than 14 years of healthcare experience, Kenneth started his career as a nurse assistant and worked as an LPN in various long-term care and assisted living facilities. Additionally, Kenneth has worked pre-hospital as a Paramedic and as an Emergency Department nurse before entering the education field. Prior to his time at the ACCS, Kenneth served as program coordinator for the Nurse Assisting program and the EMS Program Director at Calhoun Community College in Decatur, Alabama.
